**PREGIS CORPORATION APPOINTS NEW PRESIDENT-
PROTECTIVE PACKAGING EUROPE**

Deerfield, Ill., March 15, 2007 – Pregis Corporation, a leading international manufacturer, marketer, and supplier of protective packaging products and specialty packaging solutions, has announced that its Board of Directors has appointed Fernando de Miguel as the Company's new President-Protective Packaging Europe, effective June 1, 2007. Mr. de Miguel replaces Peter Lewis, who will be leaving the Company as of April 30, 2007. The Board thanks Mr. Lewis for his valuable contributions to the Pregis organization over the past 16 years.

Mr. de Miguel joins Pregis from Alstom, where he served as Senior Vice President, North Europe since April 2006. Prior to joining Alstom, he was with Johnson Controls Automotive Systems Group for over 11 years in numerous senior management positions, most recently serving as Group Vice President Electronics, Europe and International. Mr. de Miguel will be based in our Wellen, Belgium office.

Pregis Corporation is a leading global provider of innovative protective, flexible, and foodservice packaging and hospital supply products. The specialty packaging leader currently operates 44 facilities in 17 countries around the world. For more information about Pregis, visit the company's web site at www.pregis.com.
